Lead Graphic Designer – Maternity Cover (12 months)

Heart Church is a vibrant, diverse, city-centre church in Nottingham with a passion to see the gospel of Jesus transform lives across our city and nation. We are a growing church family of all ages and backgrounds, committed to worship, discipleship and serving our community.

We are looking for a Lead Graphic Designer to join our Creative Team on a one-year maternity contract from January 2026. This role shapes the visual identity of Heart Church through strong, thoughtful design for Sunday services, major events and church-wide communication. From Vision Sunday to Christmas, from Easter branding to print materials, your work will help people connect with the life and message of our church.

You will also oversee and encourage our volunteer graphic designers, offering guidance, feedback and day-to-day support. As part of the wider Creative Team, you'll help plan and deliver visual elements for key moments across the year.

This is a part-time role working **2 days a week**. Experience in other media disciplines – such as film, editing or motion – is a welcome bonus.

The successful applicant will embrace Heart Church's beliefs, ethos and values and be an active part of our church family.
